Jeannie Chufo
Chief Executive Officer
The Nest
5951 Village Center Loop Road
San Diego, CA 92130

Dear Ms. Chufo,

I am interested in a marketing communications managerial position at The Nest. I appreciate the opportunity to discuss my skillset and the ways that I can contribute to the customer experience at The Nest. Related skills and qualifications include:

- My strong work ethic. As a Varsity athlete on the Canyon Crest Academy swim team, a commitment to diligence is necessary at all times.
- My ability to multitask. I have very good time management because I balance a 4.50 GPA with a commitment to Varsity swim team.
- Leadership. I lead by motivating others to produce successful results both as a student and as an athlete.
- Attention to detail. I have great ability to focus on details, and I use that to my advantage.

I appreciate your consideration and look forward to speaking with you further on how I can help the growth of The Nest.

Sincerely,

Derek Yen
